I.SKATING INTEGRITY UNIT

1. INTRODUCTION

- 1.1 In accordance with Article 12h of the Constitution, the ISU established a Skating Integrity Unit (IU), which is the body responsible for investigation of matters involving alleged violations of ethical standards and other integrity-related misconduct in the sport and for proposing best-practice standards of ethics to the Council and the Congress, with the specific following mandate (Art. 35.1 of the Constitution):
 - a) to maintain confidence in the integrity of the ISU Sports, and in the commitment of the ISU to take all reasonable steps necessary to protect that integrity, through the effective policing and enforcement of the ISU Code of Ethics, ISU Safeguarding Policy, ISU Anti-Doping Rules and other relevant ISU Regulations; and
 - b) as part of that effort, to ensure the ISU is in full compliance at all times with its obligations as a signatory to the World Anti-Doping Code, with the IOC Code of Ethics, and with its other governance and ethical compliance obligations set out in the Constitution and ISU Regulations.
- 1.2 These IU Regulations were adopted by the Council on 4 July 2025. They supplement Article 12.h) and Section F of the Constitution – which sets out the mandate and powers of the IU and its operational independence (Articles 35 and 36) – by setting out and defining the structure and operations of the IU, including the respective powers, roles, responsibilities and authority of the IU Board and the Head of Integrity.
- 1.3 These IU Regulations come into effect on 10 June 2026 and supersede any previous ISU rules covering the same subject-matter. The Council may amend and/or supplement them from time to time at the request of the IU Board or at its own initiative. In case of any conflict between these IU Regulations and the Constitution, the Constitution will prevail.
- 1.4 Unless stated otherwise, the definitions and rules of interpretation set out in the Constitution will also apply to these IU Regulations.
