Participants

This ISU Seminar is primarily for the Referees and Judges of the ISU Host Member. However, Referees and Judges of other ISU Members may also attend subject to the availability of places.

ISU Members wishing to nominate Referees and Judges to participate in this ISU Seminar, or the ISU Referees/Judges themselves, may make an application to the ISU Secretariat, with copies to the ISU Host Member and the Chair of the Single & Pair Skating Technical Committee, not later than six weeks prior to the scheduled date of the Seminar. The ISU Host Member must also send to the ISU Secretariat, with a copy to the Chair of the Single & Pair Skating Technical Committee, the names of those of its own Officials who will attend the Seminar for final approval.

Please note that at all 2026 ISU Figure Skating Championships, the Initial Judges Meetings will be conducted by the Referee together with the Chair or a member of the Ice Dance Technical Committee.

Each Initial Judges Meeting and the respective Round Table Discussion together form an ISU Seminar for re-appointment of ISU Judges, as per Rule 417, paragraph 6.

ISU Members are reminded that the above-mentioned Initial Judges Meeting and Round Table Discussions no longer count as ISU Seminars for re-appointment of ISU or International Referees (but Judges only). Therefore, such ISU or International Referees may still need to attend an ISU Seminar in order to fulfil the requirements for re-appointment of ISU or International Referees.

However, Rule 417, paragraph 5, states that:

To consider the activity as Referee of an ISU Championship or the Olympic Winter Games, as an ISU Seminar for re-appointment, the following is required:

- the Initial Judges Meeting conducted by the Referee together with the Chair or a member of the respective Technical Committee;
- the Round Table Discussion must be conducted by the Referee
- the activity as a Referee for these Championships or the Olympic Winter Games is considered acceptable by the respective Technical Committee.

In order to fulfill the requirements of having completed an ISU Seminar for re-appointment, Judges and Referees may also complete the related ISU e-learning test for re-appointment published on the ISU eLearning platform.
