Helmet Numbers Short Track Season 2026/27

1. Use of Dedicated Helmet Numbers

a) The dedicated helmet numbers shall be used at all ISU Events (ISU Championships and ISU Short Track World Tour Competitions), except for the ISU Junior World Cup and ISU Junior Short Track World Championships where helmet covers or different helmet numbers may be provided.

b) These dedicated helmet numbers are assigned based on the Overall World Tour Classification of the 2025/26 season.

c) Skaters who did not participate in any ISU Short Track World Tour Competition 2025/26 will receive the next available number, after the helmet numbers already assigned, the first time they will participate in an ISU Event during the season 2026/27, and such a skater will keep this assigned helmet number for the rest of the season.

d) The black numbers on white surface will be glued as oval stickers of the size of 8 x 14cm (height and length) on the left-hand and right-hand side of the personal helmets and **shall not** be removed during the whole season. The helmet stickers shall not be cut in any way and must remain untouched. The ISU has a limited availability of helmet stickers for replacements. The ISU does not accept responsibility for damages to the design/artwork on the helmet incurred when applying these numbers. The 2025/26 Crystal Globe winners will receive a dedicated helmet featuring number 1 and will not need to place the stickers on the helmet for the World Tour events. A different helmet shall be used by both Crystal Globe winners for any other ISU Event where the provided sticker is to be placed on both sides of the helmet.

e) The numbers (stickers) will be provided by the ISU in accordance with the below list at the first ISU Event of the season. For those Skaters not attending the first ISU Event, the number (sticker) will be distributed at the first Event of the season the Skater will be attending.

f) ISU Members are requested to submit to the ISU Office the artworks and designs for approval of all helmets considering the following limitations:

- i. No obscene or provocative designs and artworks may be used on Short Track helmets.
- ii. The designs and artworks shall not include or refer to 'Prohibited Categories' mentioned in ISU Regulations, including but not limited to criminal, racist or religious symbols on Short Track helmets.
