e) Combined Total Elements Scores (Figure Skating Championships)

Skaters/couples participating in the following Figure Skating Championships must have reached the following Combined Total Elements Scores (SP/RD + FS/FD) during the ongoing season (2026/27) or the immediately preceding season (2025/26):

ISU Figure Skating World Championships 2027:

	CTES
MEN	109.00
WOMEN	88.00
PAIR SKATING	91.00
ICE DANCE	98.00

ISU Figure Skating European, ISU Four Continents Championships 2027:

	CTES
MEN	86.00
WOMEN	75.00
PAIR SKATING	75.00
ICE DANCE	85.00

ISU Figure Skating World Junior Championships 2027:

	CTES
JUNIOR MEN	80.00
JUNIOR WOMEN	72.00
JUNIOR PAIR SKATING	63.00
JUNIOR ICE DANCE	71.00

The required Combined Total Elements Score (SP/RD + FS/FD) to participate in Senior ISU Championships (ISU Figure Skating European Championships, ISU Figure Skating Four Continents Championships and ISU Figure Skating World Championships) can only be obtained in Senior International Competitions. Likewise, the required Minimum Combined Total Elements Score for the Short Program/Rhythm Dance and the Free Skating/Free Dance segment to participate in the ISU Figure Skating World Junior Championships can only be obtained in International Junior Competitions.

The Combined Total Elements Score (not including Component Scores) is calculated by adding the Skaters/Couples highest Technical Elements Score in Short Program / Rhythm Dance and the Free Skating / Free Dance and must have been reached in an ISU recognized International Competition during the ongoing or preceding season. The Skaters/Couples highest Technical Elements Score in Short Program / Rhythm Dance and the Free Skating / Free Dance to calculate the Combined Technical Elements Score may be reached at different competitions.

The Minimum Technical Elements Score must be reached 28 (twenty-eight) days before the first day (first official practice day) of the Championships concerned (same as entry deadline).

If it would become evident that the number of entries based on the Combined Total Elements Scores listed above would be significantly higher or lower than expected, the ISU Council reserves the right to adjust the Combined Total Elements Scores in order to achieve the above-mentioned objective.

ISU Members will be informed latest 45 days prior to the entry deadline of the respective Championships if the announced required Combined Total Elements Score will be adjusted. In case of the continental Championships the announcement for both European and Four Continents Championships will be made 45 days prior to the entry deadline of the earlier Championships, in this case the European Championships.

f) ISU Synchronized Skating World Championships 2027:

The following ISU Members have a right to enter more than 1 team:

Canada	2 Teams
Finland	2 Teams
Germany	2 Teams
Italy	2 Teams
USA	2 Teams

g) ISU Synchronized Skating World Junior Championships 2027:

Canada	2 Teams
Finland	2 Teams
Sweden	2 Teams
Poland	2 Teams
USA	2 Teams

h) ISU Synchro9 World Championships 2027

For Synchro9 World Championships, 9 Members will qualify for 1 entry. The host Member will automatically get an entry.

i) ISU Synchro9 Junior World Championships 2027

For Synchro9 Junior World Championships, 6 Members will qualify for 1 entry. The host Member will automatically get an entry.

j) Combined Total Elements Scores (Synchronized Skating Championships)

Teams participating in the following Synchronized Skating Championships must have reached the following Combined Total Elements Scores (SP + FS) during the ongoing season (2026/27) or the immediately preceding season (2025/26):

ISU Synchronized Skating World Championships 2027:

CTES: 44.00

ISU Synchronized Skating World Junior Championships 2027:

CTES: 35.00

The required Combined Total Elements Score (SP + FS) to participate in ISU Synchronized Skating Worlds Championships can only be obtained in Senior International Competitions. Likewise, the required Minimum Total Elements Score for the Short Program and the Free Skating segment to participate in the ISU Synchronized Skating World Junior Championships can only be obtained in International Junior Competitions.

The Combined Total Elements Score (not including Component Scores) is calculated by adding the Teams highest Technical Elements Score in Short Program and the Free Skating and must have been reached in an ISU recognized International Competition during the ongoing or preceding season. The Teams highest Technical Elements Score in Short Program and the Free Skating to calculate the Combined Technical Elements Score may be reached at different competitions.

The Minimum Technical Elements Score must be reached 28 (twenty-eight) days before the first day (first official practice day) of the Championships concerned (same as entry deadline).

If it would become evident that the number of entries based on the Combined Total Elements Scores listed above would be significantly higher or lower than expected, the ISU Council reserves the right to adjust the Combined Total Elements Scores in order to achieve the above-mentioned objective.

ISU Members will be informed latest 45 days prior to the entry deadline of the respective Championships if the announced required Combined Total Elements Score will be adjusted.

As Synchro9 will officially debut for the first time during the season 2026/27, there will be no minimum CTES for Synchro9 World Championships, however based on the results in 2026/27, the Synchronized Skating Technical Committee will decide on CTES for the season 2027/28.

II. ENTRY DEADLINES

a) Single and Pair Skating & Ice Dance

Entries by name must reach the ISU Office and the Organizing Committee simultaneously by **28 days** before the first day (first official practice day) of the Championships concerned.
