Acknowledgement & Intent

By checking boxes in the grid above and signing below, we confirm that we have reviewed the ISU Event Hosting Model and the current Host City, Venue, Hotel, and Transportation Requirements. We understand these are base requirements and guidelines for assessment and selection.

If our Federation has previously expressed intent to bid or host for any event(s) before the introduction of the new hosting model, our selection(s) above confirm that we understand and accept the updated model and wish to proceed under the new framework.

In the case that the ISU should decide to host combined World Championships including both Figure Skating and Speed Skating branches, the bid application should be signed by both ISU Members for countries having two ISU Members governing each an ISU branch.

By signing, we indicate our Federation's intent to bid for the event(s) and season(s) selected above. This intent is non-binding and subject to the formal bidding process and issuance of final bidding requirements and terms during the bidding phase.
