

ISU 5 ECO-TIPS

- 1. Ice Rinks:** Encourage renewable energy and sustainable innovation.
- 2. Nature:** conduct ice stewardship, protecting the world's most precious resource, water.
- 3. Transport:** Minimize your carbon footprint, prioritizing low carbon transport.
- 4. Waste:** Zero single use plastic, consider the 5 Rs: Refuse, Reduce, Repair, Recycle/Compost, Reinvent
- 5. Food:** prioritise food that is local, in season, vegetarian, certified, with a limited degree of transformation.
