- the ISU Member is responsible for uploading their Competitor's music the Organizing Committee's specified URL ([https://www.lyyti.fi/reg/GP2024\\_music](https://www.lyyti.fi/reg/GP2024_music)) with a reference **until November 10, 2024**.

Please note: some music files might exceed the size of a regular email. In this case, an email-based transfer service which allows to send large files could be used to send the file to the OC.

- each submission shall be labelled with the name of the ISU Member, name of the category, segment and the name(s) of the competitor(s):

Example:

GER\_Men\_SP\_MUSTERMANN-Max

GER\_Men\_FS\_MUSTERMANN-Max

SUI\_Pairs\_SP\_MUSTERMANN-Erika\_MUSTERMANN-Max

- the music files must be sent as **WAV or MP3** file formats. Any other format is not acceptable.  
Please note: Files in MP3 format may have a significant difference in the music quality when reproduced. The Organizing Committee in this case is not responsible if the music quality would be insufficient.
- Each Competitor must have an own back-up drive (USB Stick) for each program in the format of a WAV or MP3 file.
- The exact running time of the music (not skating time) must be communicated to the Organizing Committee when submitting the music and shall be certified by the Competitor/Coach/Team Leader at the time of registration.
- During the 1<sup>st</sup> Official Practice, the music will be played as indicated in the Practice Schedule and will allow to verify the correctness of the submitted music. If there is an issue with the music, the Team Leader/Coach may be allowed to change the music by presenting an acceptable reproduction to the Organizing Committee's Music Team (USB Stick with file format of WAV or MP3 file).

If the music files have been submitted within the above-mentioned deadline to the Organizing Committee, then the music team of the Organizing Committee is entirely responsible for the correct execution of the music. In case of issues with submitted music files the Organizing Committee may request at the time of registration a secondary copy of the music files. In case the music files have not been submitted in time to the Organizing Committee, the skater(s) must present their music latest at the time of registration on the above defined mean and in the defined format.

Please note: CDs will **not** be accepted by the Organizing Committee.

ISU Members/Skaters are reminded that in order for them to use music to accompany their routines, the following 'Music Accompaniment' rights/ licenses are required:

- the right to edit or adapt music into a mix, if more than one song is being used.
- the right to set choreography to the music, often referred to as a 'Grand Right', which is the right to perform musical compositions and recordings within the context of a "dramatic work" or choreography.
- the right to create any copies of the music that may be needed for training and competition purposes, also known as the 'mechanical rights'.

In order for a music to be fully cleared for these uses, these rights need to be cleared for each and every track used in each mix that contains a license (backed by a warranty and legal indemnity) for appropriate territory(s) that covers both the master rights of the recording artist and the publishing rights of each individual writer and composer of the track.

There are a number of ways in which ISU Members and their Skaters can legally use or create a music mix to accompany your routine/performance:

1. For easy compliance with the above-mentioned requirements, it is recommended to use commercially released or production music from the ISU approved licensing provider, [ISU.ClicknClear.com](https://www.clicknclear.com). Subject to the music being available on the ClicknClear platform for the country where it will be used, it can be licensed instantly. Skaters/Members can access ClicknClear directly through the ISU Portal under the music tab.
2. Use completely original music (specially commissioned) written and/or recorded by a composer and/or artist. If you do this, please ensure you have contractually obtained the relevant rights required. ClicknClear's License Verification System has an online form that your composer/artist can use to confirm the rights they have granted you.
3. Use music out of copyright (otherwise known as music in the public domain). To be noted that the duration of copyright varies in each country so ISU Members MUST check their local copyright law.
4. Secure a license directly from the owners of the music the Skaters would like to use. In some cases, ClicknClear may be able to assist in the clearance of music not currently available on the ClicknClear

platform. However, please note this route will be significantly more expensive, may take significant time, and there is no guarantee of a positive outcome.

The titles, composers and orchestras of the music to be used for the Short Program and Free Skating Program for Single, for the Rhythm and Free Dance Program for Ice Dance and for the Exhibition must all be entered, in detail, by the ISU Member or the Skater(s) on the dedicated ISU platform or through ClicknClear.

If music information is not complete and/or the music is not provided, accreditation will not be given.

The Planned Program Content must also be entered by the ISU Member or the Skater(s) on the dedicated ISU platform. It is mandatory that the Program Content information be filled in precisely by each Skater/team in English using the terminology for the elements listed in the respective ISU Communication.
