Requests must be made through a form ([available for download here](#)) and submitted to the ISU Media Team ([media@isu.ch](mailto:media@isu.ch)) at least one week prior to the start of the event.

#### 1.5. TV and Radio Rights Holders Accreditation / Services

For visa request, please provide passport details and name of the Embassy where it will be applied.

## 3. Media Facilities at the venue

Media will have access to both the competition venue (TD Garden) and the practice venue (Steriti Memorial Rink).

### TD Garden

Media will enter at the security entrance on Legends Way and take the elevator to Level 3.

The mixed zone, media work area and press center (where press conferences will be held) are all located on Level 3 next to each other on ice level. Click [here](#) to view a map, with all media areas designated in purple.

Media may take the elevator to Level 5 to the SportsDeck for seating to watch the competition.

### Steriti Memorial Rink

There will also be a small mixed zone and media work area at Steriti Memorial Rink. Steriti Memorial Rink is less than a 10 minute walk from TD Garden.

#### 3.1. Media Tribunes and TV Commentator positions

**Media Tribunes/workroom:** Located on ice level in the media area at TD Garden.

**TV Commentator positions:** These will be determined by Rob Dustin ([rob@redbricktv.com](mailto:rob@redbricktv.com)).

#### 3.2. Mixed Zone & Press Conferences

##### 3.2.1. Mixed Zone

The Mixed Zone provides an opportunity for media to interview athletes immediately after competition.

The Mixed Zone area at TD Garden is split into the following sections and follows a pre-determined priority order:

1. Quick Quotes (made available on the ISU website)
2. TV / Radio Rights Holders (with pre-booked positions)
3. ISU Production/Social Media crew
4. TV / Radio Rights Holders with ENG positions
5. Non-Rights Holders (print/web, TV/Radio, social media without any production rights)
6. Virtual Mixed Zone

Athletes will go through the Mixed Zone on completion of every competition. Coaches may also be requested for interviews. The media operations team onsite will do its best to make sure the requested skaters go through the Mixed Zone for media interviews, however it is not mandatory for the athletes to give interviews.

Interviews at Steriti Memorial Rink must be requested.

**⚠️ Priority will be given to medal ceremonies and TV Right Holders.**

As the timing between the end of medal ceremonies and the start of press conferences is quite tight, note that medallists will go through the TV Right Holders' Mixed Zone for interviews and, if time permits, they could spend a limited time in the Non-Rights Holders area. If interviews in the Non-Rights holders area must be cut short, all questions should then be asked during the press conferences.

### **3.2.2. Press Conferences**

Press conferences will feature the top three finishers after each competition and/or after victory ceremonies on final competition days.

All press conferences will take place in the press conference area on ice level at TD Garden. They will take place after the segments for all four disciplines. Press conferences will be moderated by a member of the Organizing Committee. These press conferences will be archived and available for on-demand viewing.

A schedule for press conferences will be available at a later date.

In case remote services are available, media holding a remote accreditation will be able to access the virtual mixed zone and press conferences through links provided on the Inside ISU Events App. Once in the meeting room, those wanting to ask a question will be asked to notify the moderator by using the chat or raise hand function. The moderator will call on those wanting to ask a question.

Please arrive early. The U.S. Figure Skating communications team will do their best to get athletes to the press conference area as quickly as possible following competition/medal ceremonies.
