Japan Skating Federation looks forward to hosting media attending the ISU GRAND PRIX OF FIGURE SKATING FINAL NAGOYA AICHI 2025 in Aichi, Japan. The event will be held at the IG Arena from December 4, 2025.

This information will assist you in planning your trip to Aichi and apply for media accreditation to cover the event. Every effort will be made to ensure journalists have all the appropriate facilities necessary to work at the event.

## 1. Media Accreditation

All media must apply for media accreditation through the ISU Online Media Accreditation System (OMAS) on the International Skating Union (ISU) website ([www.isu.org](http://www.isu.org)) under the [Press](#) section.

Media accreditation is strictly reserved for **professional journalists and photographers** employed by or representing recognized media organizations (including agencies, print/online publications, TV/radio broadcasters) covering ISU Events for **editorial or news purposes**. Under specific conditions, content creators and social media reporters may be considered.

Additionally, **ISU Member Federation representatives** officially designated for press and communication duties may be eligible for accreditation.

**/! Individuals affiliated with sponsors, brands, or marketing/advertising agencies are not eligible for media accreditation.**

### 2.1. Mixed Zone

The Mixed Zone provides an opportunity for media to interview athletes immediately after competition.

The Mixed Zone area is split into the following sections and follows a pre-determined priority order:

1. Quick Quotes (made available on the [ISU Event webpage](#))
2. TV / Radio Rights Holders (with pre-booked positions)
3. ISU Production/Social Media crew
4. TV / Radio Rights Holders with ENG positions
5. Non-Rights Holders (print/web, TV/Radio, content creators without any production rights)

Athletes will go through the Mixed Zone on completion of every competition/race. Coaches may also be requested for interviews. The media operations team on-site will do its best to make sure the requested skaters go through the Mixed Zone for media interviews. However it is not mandatory for the athletes to give interviews.

### **/A Priority will be given to medal ceremonies and TV Right Holders.**

As the timing between the end of medal ceremonies and the start of press conferences is quite tight, note that medalists will go through the TV Right Holders' Mixed Zone for interviews and, if time permits, they could spend a limited time in the Non-Rights Holders area. If interviews in the Non-Rights holders area must be cut short, all questions should then be asked during the press conferences.

## **2.2. Press Conferences**

Press conferences will feature the top-3 finishers after each competition/race and/or after victory ceremonies on final competition days.

In case remote services are available, media holding a remote accreditation will be able to access the virtual press conferences through links provided on the Inside ISU Events App.

Once in the meeting room, those wanting to ask a question will be asked to notify the moderator by using the chat or raise hand function. The moderator will call on those wanting to ask a question.
