2. DESIGNATION OF THE SKATERS

2.1 Seeded Skaters/Couples

- a) Skaters/Couples who have placed 1 – 6 in each of the 4 disciplines (Men, Women, Pair Skating, Ice Dance) at the ISU World Figure Skating Championships 2026 will be considered to be Seeded Skaters/Couples and will be assigned, by draw, to skate in two events.
- b) If any vacancies (less than 6 Seeded Skaters/Couples per discipline) remain, the next ranked Skater/Couple from the results of the ISU World Figure Skating Championships 2026 will be moved up to fill their position as a Seeded Skater/Couple.
- c) **“Come-Back” Skaters/Couples:** Skaters/Couples who were previously seeded (placed 1 to 6 within the past 4 years at a ISU World Figure Skating Championships) and subsequently did not participate in one or more competitive seasons will be given priority consideration to re-enter the ISU Figure Skating Grand Prix for selection of up to 2 assignments if they commit in writing to participating in two ISU Figure Skating Grand Prix events and if such return is announced and confirmed by the date of the annual Selection Meeting. Such so called “Come Back Skaters/Couples” will not substitute any of the Seeded Skaters/Couples, mentioned under a). “Come Back Skaters/Couples” must not fulfil the requirements of the minimum Grand Prix score and would be considered for selection as an Organizing ISU Member Choice. A come back under this clause is allowed only once in their competitive career for any Skater/Couple.
- d) If a Seeded or “Come-Back” Skater/Couple withdraws from an assigned event, even for medical reasons, that Skater/couple will not be assigned to another event.

2.2. Olympic Winter Games medallists

Skaters/Couples placed 1-3 in Women, Men, Pair Skating and Ice Dance at the 2026 Olympic Winter Games who do not meet the criteria of section 2.1 will be guaranteed two (2) assignments.

If there are any retirements from placements 7 – 12 (respectively 7 – 10 for Pair Skating/Ice Dance), the vacant places will be completed with the next ranked Skaters/Couples of the ISU World Figure Skating Championships 2026 (placed 13 and below for Singles – placed 11 and below for Pair Skating and Ice Dance) will be moved up to fill their position as Placement 7 – 12 Skaters (respectively 7 – 10 Pairs/Couples).
- b) Return of a Split Couple - “Returning Split Couple”
Pairs or Ice Dance Couples, who were previously in the top 7 to 12 of an ISU World Figure Skating Championships in the past three seasons (2023, 2024 or 2025) but who split and now have a new partner, may always be chosen as an Organizing ISU Member Skater as per paragraph 2.2. f) and in addition, may be considered as an Organizing ISU Member’s Choice as per paragraph 2.2. g). They will be ranked in the list of Grand Prix Season’s Best scores by taking the season’s points of their partnership with their most recent previous partner, if proof is given in writing by their ISU Member that they intend to continue their competitive career and their return is announced and confirmed by the date of the annual Selection Meeting. Such Pairs/Dance Couples are defined as a “Returning Split Couple” and such Returning Split Couples do not need to fulfill the requirement of a minimum Grand Prix score.
- c) Return of a ranked Skater/Couple - “Return Skater/Couple”
A Skater or Couple, not included among those defined in paragraphs a) and b) above, who was previously in the top 7 to 12 at the ISU World Figure Skating Championships 2024 or 2025 but since was injured and/or did not compete at all during the entire 2025/26 season, may be chosen, if applicable, as an Organizing ISU Member Skater, and in addition, may be considered as an Organizing ISU Member’s Choice and will be ranked in the list of Season’s Best scores by taking the Season’s Best points of their most recent season, if proof is given in writing by their ISU Member that they intend to continue their competitive career and their return is announced and confirmed by the date of the annual Selection Meeting. Such Skater or Couple is defined as a “Return Skater/Couple” and such a Return Skater/Couple does not need to fulfill the requirement of a minimum Grand Prix score.
- d) Skaters/Couples with an ISU World Standing placement of 1 – 24 and Skaters/Couples with seasons best scores for 2025/26 in the top 24, who do not hold an ISU World Standing placement of 1 – 24 will be guaranteed one event if they do not otherwise meet the criteria listed in paragraphs 2.1 or 2.2 above and the minimum Grand Prix score.

- f) A maximum of three Skaters/Couples in each discipline from the Organizing ISU Member may skate in the Organizing ISU Member's event. This includes Skaters/Couples selected according to paragraphs 2.1 and 2.2 above. If the Organizing ISU Member chooses not to exercise its option for the three Skaters/Couples in any discipline from its own country, the remaining entry spots must be filled as per paragraphs 2.2 a) to e) above. The domestic Skaters/Couples should fulfil the criteria of being on the top 75 Grand Prix Season's Best list when first selected. It is not mandatory for the Organizing ISU Member's Skaters/Couple to fulfil the criteria of the minimum Grand Prix score, but it is strongly suggested.
- g) If any entries remain open and if all Skaters/Couples as defined in paragraph 2.2. a), b) and c) above have been selected for one event, the Organizing ISU Member may select any Skater/Couple with a top 75 seasonal best score to fill the open entries.
- h) In addition to the Seeded Skaters/Couples, or "Come-Back" Skaters/Couples and the above-mentioned Invited Skaters/Couples, each Organizing ISU Member may select additional Skaters/Couples in accordance with selection procedures established by the ISU Grand Prix Management Group, provided that such Skaters/Couples have reached the minimum Grand Prix score as required. The maximum number of entries per event, however, is set as follows:

For the 2026/27 season, the invited ISU Member is responsible for the air ticket(s) of its invited Skaters/Couples and Judges to each ISU Figure Skating Grand Prix event. The alternate list needs to be worked through in ranking order for the top 75 ranked Skaters/Couples according to their Season's Best score (GP Points). All Skaters/Couples of the alternate list will be chosen in order of their ranking (excluding any skaters from Members already included in a maximum capacity and subject to extenuating circumstances).
