#### 3. Media Facilities at the venue

The Press Center includes the media working stations, an area for photographers (incl. lockers), the Press Cafeteria, the Press Information desk and boxes. Currently approximately 40 working spaces are planned.

The Press Center is on the 1st floor, next to the main door.

The Press Center will be open 30 minutes prior to the first practice of the day and 60 minutes after the last practice, and until two hours after the last competition (or Victory Ceremony).

Journalists and photographers will also have free internet access (Wi-fi and/or LAN access preferably for Photographers) in the Media Center. Dedicated Wi-fi should be available for Press in the Media Center, Press Tribunes and Mixed Zone.

#### 3.1. Media Tribunes and TV Commentator positions

A total of 40 press seats are available at the venue in section D1. There will be 20 tabled seats and approx. 20 seats without tables.

At the moment 2 commentary positions are planned. The TV commentary positions will be located in section F4 and F6. Requests for commentary positions should be included in the Rights Holders questionnaire. Should there be additional requests for commentary positions from TV Right Holders, these would be placed in the same location.

#### 3.2. Mixed Zone & Press Conferences

#### 3.2.1.Mixed Zone

The Mixed Zone provides an opportunity for media to interview athletes immediately after competition. It will be located on the ice level. Media will use a stairway to go one floor down from the Media Center.

The Mixed Zone area is split into the following sections and follows a pre-determined priority order:

- 1. Quick Quotes (made available on the ISU website)
- 2. TV / Radio Rights Holders (with pre-booked positions)
- 3. ISU Production/Social Media crew
- 4. TV / Radio Rights Holders with ENG positions
- 5. Non-Rights Holders (print/web, TV/Radio, social media without any production rights)

Athletes will go through the Mixed Zone on completion of every competition/race. Coaches may also be requested for interviews. The media operations team onsite will do its best to make sure the requested skaters go through the Mixed Zone for media interviews, however it is not mandatory for the athletes to give interviews.

### /!\ Priority will be given to medal ceremonies and TV Right Holders.

As the timing between the end of medal ceremonies and the start of press conferences is quite tight, note that medalists will go through the TV Right Holders' Mixed Zone for interviews and, if time permits, they could spend a limited time in the Non-Rights Holders area. If interviews in the Non-Rights holders area must be cut short, all questions should then be asked during the press conferences.

#### 3.2.2.Press Conferences

Press conferences will feature the top-3 finishers after each competition/race and/or after victory ceremonies on final competition days. Press Conference area is on the 1st floor, behind the stand A2
