I hereby certify that I have decided to return to competitions, I request that my name be included in the ISU Registered Testing Pool and I am available for Doping Control Testing.

I hereby acknowledge that I am aware of the ISU Anti-Doping Rules, Article 5.6 "Retired Skaters Returning to Competition" as specified below:

5.6.2: If a Skater in the ISU's Registered Testing Pool retires and then wishes to return to active participation in sport, the Skater shall not compete in ISU Events and International Competitions Events or Local Competitions until the Skater has made himself available for Testing, by giving six (6) months prior written notice to the ISU and his National Anti-Doping Organization.

WADA, in consultation with the ISU and the Skater's National Anti-Doping Organization, may grant an exemption to the six (6) months written notice rule where the strict application of that rule would be unfair to the Skater. This decision may be appealed under Article 13.

WADA has developed a protocol and exemption application form that Skaters must use to make such requests, and a decision template that the International Federations must use. Both documents are available on WADA's website at <https://www.wada-ama.org>
