Decisions of the Council

The ISU Council met online on February 14, 2025. The following were among the decisions taken by the Council during the meeting.

1. Cancellation of ISU Four Continents Short Track Speed Skating Championships 2025

The [ISU Statement](#) published on October 25, 2024 stated that the ISU Four Continents Short Track Speed Skating Championships 2025 would no longer take place in Salt Lake City as originally scheduled, and that the Council would actively explore options to reschedule the event for a later date within 2024/25 season. It has not proven possible to find an alternative location and date for these Championships and the Council therefore took the decision to cancel the ISU Four Continents Short Track Speed Skating Championships 2025.
