ISU Ice Dance Development Camp for Novice and Junior Ice Dance Couples and their Coaches from Asia, Oceania and the Pacific Region

The ISU announces that the ISU Ice Dance Technical Committee, with the support of the ISU Development Program, is organizing an International Ice Dance Development Camp for Ice Dance Coaches and Couples of beginner, Novice and Junior levels (but not lower than Basic Novice skating level) from Asia, Oceania and the Pacific region in

Bangkok, Thailand, May 24-30, 2025

The aim of the Camp is to introduce and develop the Ice Dance discipline in new areas where it is not yet traditionally pursued, to teach the basic principles of Ice Dance to inexperienced Ice Dance Coaches and Single Skating Coaches who are interested in becoming Ice Dance Coaches in the future and to continue with the development work started in previous Camps. This Camp will also provide help in preparation for the seasons' competitions for already established Ice Dance Couples. Coaches will find expert assistance in all topics concerning Ice Dance. For a more personal learning effect, the experts will be available for one-to-one contact with participating Coaches. Daily off-ice classes will include lectures on basic Ice Dance technique. There will also be ballroom classes and guidance on how to partner and to manage Ice Dance Couples. On-ice sessions will concentrate on basic skating exercises, posture, dance holds, introduction to Pattern Dances and Required Elements.

The age of the Couples should be according to the current ISU age requirements for Novice and Junior Ice Dance Couples.

Participants should arrange to arrive on Saturday, May 24, 2025, in time for the opening of the Camp at 18.00 hours and depart on the morning of Saturday, May 31, 2025.

General

Entry & participation criteria and conditions

- a) In order to provide adequate quality, the **ISU will limit the capacity to 18 Ice Dance Couples.**
- b) A "waiting list" will be created for those Ice Dance Couples who cannot be accepted in the first instance in order to offer the opportunity for participation should cancellations occur. ISU Members are requested to be considerate with the timing of cancellations in order to give other athletes the chance to participate.
- c) Each ISU Member may enter Ice Dance Couples with no limitation, plus an unlimited number of Coaches to the Camp. In the case of too many entries for Ice Dance Couples, the ISU will reduce the number primarily using the age criteria, starting from the highest age. The number of entries per region may also be considered.
- d) In addition, the ISU Ice Dance Technical Committee will check the list of entries and accept only participants (Skaters and/or Coaches) for whom it sees a possibility for future development.

- e) Only legitimate Ice Dance Couples and Coaches are to be entered.
- f) As this ISU Development Camp is organized to provide help and offer a quality learning experience to Ice Dance Coaches and their Couples, sending a “non-skating” person as a Coach is not appropriate.
- g) Coaches who have not participated previously in the Camp will have priority of acceptance.
- h) The Camp is also open to Coaches wishing to attend without Skaters at their own cost.
- i) Participating Ice Dance Couples are expected to arrive physically fit and prepared.
- j) The participating Ice Dance Couples should have at least one year of skating in a Couple and some competition experience and are required to know the correct steps and timing of the Pattern Dance(s) and come prepared with their programs of the respective season as this Camp will also provide preparation help for their upcoming competitions.
- k) Accepted participants (Coaches and Skaters) will have to participate from the beginning to the end of the Camp unless they receive to do otherwise permission prior to acceptance.
- l) Ice Dance Couples must participate together with their announced Coaches. Should an announced Coach unexpectedly be unable to attend, subject to receiving permission from the Camp organizer, the participating Skaters must be accompanied by a responsible chaperone for the whole duration of the Camp.
- m) All participants must have Medical Insurance and have their valid Insurance Card with them to attend the Camp.
