5. PRACTICE

Official practice for Competitors begins on **Thursday, October 22th, 2026**. The detailed schedule will be issued at the time of registration.

6. MUSIC / PLANNED PROGRAM CONTENT

In accordance with Rule 343 in the Sports Rules Single & Pair Skating and Ice Dance 2026, the following method to submit the Competitor's music to the Organizing Committee must be followed:

- the ISU Member is responsible for uploading their Competitor's music as a direct attachment to an email to the Organizing Committee (musique@ffsg.org) with a reference "**Grand Prix de France 2026**" until **October 14, 2026**.

Please note: some music files might exceed the size of a regular email. In this case, an email-based transfer service that allows sending large files could be used to send the file to the OC.

- each submission shall be labelled with the name of the ISU Member, name of the category, segment, and the name(s) of the competitor(s):

Example:

GER_Men_SP_MUSTERMANN-Max

GER_Men_FS_MUSTERMANN-Max

SUI_Pairs_SP_MUSTERMANN-Erika_MUSTERMANN-Max

- the music files must be sent as **WAV or MP3** file formats. Any other format is not acceptable.
Please note: Files in MP3 format may have a significant difference in the music quality when reproduced. The Organizing Committee in this case is not responsible if the music quality is insufficient.
- Each Competitor must have their own backup drive (USB Stick) for each program in the format of a WAV or MP3 file.

- The exact running time of the music (not skating time) must be communicated to the Organizing Committee when submitting the music and shall be certified by the Competitor/Coach/Team Leader at the time of registration.
- During the 1st Official Practice, the music will be played as indicated in the Practice Schedule and will allow to verify the correctness of the submitted music. If there is an issue with the music, the Team Leader/Coach may be allowed to change the music by presenting an acceptable reproduction to the Organizing Committee's Music Team (USB Stick with file format of WAV or MP3 file).

If the music files have been submitted within the above-mentioned deadline to the Organizing Committee, then the music team of the Organizing Committee is entirely responsible for the correct execution of the music. In case of issues with submitted music files, the Organizing Committee may request, at the time of registration a secondary copy of the music files. In case the music files have not been submitted in time to the Organizing Committee, the skater(s) must present their music latest at the time of registration on the above-defined means and in the defined format.

ISU Members/Skaters are reminded that, in order for them to use music to accompany their routines, the following 'Music Accompaniment' rights/ licenses are required:

- the right to edit or adapt music into a mix, if more than one song is being used.
- the right to set choreography to the music, often referred to as a 'Grand Right', which is the right to perform musical compositions and recordings within the context of a "dramatic work" or choreography.
- the right to create any copies of the music that may be needed for training and competition purposes, also known as the 'mechanical rights'.

In order for music to be fully cleared for these uses, these rights need to be cleared for every track used in each mix that contains a license (backed by a warranty and legal indemnity) for appropriate territory(s) that covers both the master rights of the recording artist and the publishing rights of each writer and composer of the track.

There are several ways in which ISU Members and their Skaters can legally use or create a music mix to accompany their routine/performance:

1. For easy compliance with the above-mentioned requirements, it is recommended to use commercially released or production music which has been pre-cleared, such as from ClicknClear.com.
2. Use completely original music (specially commissioned) written and/or recorded by a AI, composer and/or artist. If you do this, please ensure you have contractually obtained the relevant rights required. ClicknClear's License Verification System has an online form that your composer/artist can use to confirm the rights they have granted you.
3. Use music out of copyright (otherwise known as music in the public domain). To be noted that the duration of copyright varies in each country, so ISU Members MUST check their local copyright law.
4. Secure a license directly from the owners of the music that the Skaters would like to use. In some cases, ClicknClear may be able to assist in the clearance of music not currently available on the ClicknClear platform. However, please note this route may be significantly more expensive, may take significant time, and there is no guarantee of a positive outcome.

The titles, composers and orchestras of the music to be used for the Short Program and Free Skating Program for Single, for the Rhythm and Free Dance Program for Ice Dance and for the Exhibition must all be entered, in detail, by the ISU Member or the Skater(s) on the dedicated ISU platform.

If music information is not complete and/or the music is not provided, accreditation will not be given.

The Planned Program Content must also be entered by the ISU Member or the Skater(s) on the dedicated ISU platform. It is mandatory that the Program Content information be filled in precisely by each Skater/team in English using the terminology for the elements listed in the respective ISU Communication.

7. ARRIVAL OF PARTICIPANTS / TEAMS

The participating Teams and all respective team members, as well as all Event Officials, are required to announce to the Organizing Committee as soon as possible but no later than **Friday, September 11th, 2026**, the name of the airlines, flight numbers, dates, times of arrival, or any other information concerning transportation and arrivals. The detailed travel information needs to be submitted via the ISU Online Registration System (ORS).

The nearest airport to Angers is **Airport Nantes Atlantique**. The ISU Member certifies with the entries in ORS the indicated functions within the team of all team members. Any misuse of any function will be sanctioned by the ISU/OC.

Accreditation will be given to all people officially registered and approved in ORS.

Chaperons will not receive accreditation. Only those chaperones listed within ORS with complete information will be included in the airport transfers provided by the OC. The Team Leader may request "bus permits" for the official registered Chaperones to join the official shuttle bus system of the Organizing Committee.

The starting order in the Short Program/Rhythm Dance will be the reverse order of the ISU World Standings. In the case of any tie, there will be a draw to determine the starting order.

Skaters/Couples, who have not received any ISU World Standing points, will be listed at the bottom of the ISU World Standing list in alphabetical order of the ISU Member. There will be a separate draw between those Skaters/Couples with no World Standing points to determine the starting order, following the principles of ISU Rule 513, paragraph 1. a).

If a skater/couple does not complete an event due to illness or injury, this event will be treated as "not skated", i.e. the result(s) of the initial round(s) completed will not count for the Grand Prix ranking order. However, such an event will count as one participation but without receiving credit in the ranking order.

14. PRIZE MONEY

Prize Money will be awarded to the top 5 of each category. The exact amounts are indicated in ISU Communication 2820 (or any update of this communication).

The individual prize money minus taxes and wiring fees will be transferred to the ISU Members concerned immediately after the conclusion of the **Grand Prix de France 2026**.

Skaters/Couples are expected to be ready for any ceremony and/or prize award and to participate in press conferences and/or social events if asked by the ISU and/or the event's Organizer. Failure to do so may result in a reduction of the awarded Prize Money. The decision to reduce Prize Money will be made by the ISU Representative attending the event, subsequently to be ratified by the Council.

The ISU assumes no responsibility for or liability with respect to bodily or personal injury or property damage incurred by Competitors and Officials.
