Advanced Novice Girls and Boys Free Skating and Overall Results

Results Change Verification Calculation Error – Jump Repetitions

ISU Communication 2770 (page 6)

Any single, double (including Double Axel) or triple jump cannot be executed more than twice in total.

The same type of jump independent of revolutions can be included not more than two times in the Free Skating program.

Explanation:

The ISU Verification Calculation Software did not incorporate this and did not add an * on jump elements that are not according to the rules.

As a result, placements in the Free Skate and Final placements are affected.
The results will be updated and posted online.
