ANNOUNCEMENT / INVITATION

Interclub Figure Skating Competition for Single Skating:

Single Skating: Novice Intermediate, Novice Basic, Cubs, Chicks

Adults and Recreational Categories

GENERAL INFORMATION

The EduSport Trophy will be conducted in accordance with the ISU Constitution 2025, Competition & Event Regulations 2026, Sports Rules Single & Pair Skating and Ice Dance 2026, and the relevant ISU Communications.

Participation in the EduSport Trophy is open to all Competitors who belong to an ISU Member, and qualify with regard to eligibility according to Competition & Event Regulations 2026, Article 7.2, provided their ages fall within the limits specified in Article 9.3.1.

All competitors must be entered through their respective Clubs.

The Organizing Committee has the right to verify athletes' personal identification documents in order to confirm their eligibility to compete and ensure correct category placement. Without the documents, the athlete will be excluded from the competition. All skaters must submit a copy of their passport at the time of registration.

GDPR

By registering for the event, all participants acknowledge and accept that their personal data will be collected by the Organizing Committee (OC). This data will be stored and used by the OC—and, when necessary, shared with third parties—exclusively for purposes related to facilitating participation in the competition. Personal data may include, but is not limited to: full legal name (as stated in national identity documents), address, date of birth, nationality, and gender.

Venue: Allianz-Țiriac Arena
Address: Drumul Gării Odăi, Otopeni 075100, Bucharest, Romania
Location: Near Henri Coandă International Airport
Rink Details: Indoor, heated facility with a standard-size ice surface measuring 60 m x 30 m

ENTRIES

Clubs, members of National Skating Federations associated with ISU, are invited to take part in this competition. Each Club may enter an unlimited number of skaters in each category.

Please note: The OC reserves the right to limit the number of participants in case of overcrowding. The Organizing Committee reserves the right to limit or refuse entries**.** Acceptance of additional entries will depend on the total number of participants and the capacity of the event.

For the Interclub Competition, all competitors must be registered through their Club, which must be affiliated with an ISU Member Federation, and placed in categories according to their age and skill level. **All required documents must be uploaded via** https://portal.edusporttrophy.org **at the time of registration, no later than November 20, 2026.** This includes: entries of skaters and officials, Program Content Sheets, Music files, Passports of all skaters.

Entries submitted on and after November 21, 2026 will be considered late.

For each skater, the Program Content Sheet must be completed accurately in English, using the official terminology specified in the relevant ISU Communication. Program Content Sheets must not be handed directly to the acting Officials.

Withdrawal from the competition, if applicable, must be communicated no later than November 26, 2026. Starting November 27, 2026, entry fees will not be refunded under any circumstances. If a skater has not been officially withdrawn by this date and the entry fee remains unpaid, the Club or Federation will be held responsible for covering the competition fee**.**

Official entries of Team Leaders, Team Officials, Coaches/Choreographers, Team Medical staff etc. must be made together with the entries for Competitors and Judges.

MUSIC

In accordance with Rule 343 in the ISU Special Regulations & Technical Rules Single & Pair Skating and Ice Dance 2026, the ISU Members are responsible for submitting their Competitor's music, until **November 26, 2025,** as upload via https://portal.edusporttrophy.org

Each submission must be labelled with the name of the ISU Member, name of the category, segment, the name(s) of the competitor and the exact running time of the music (not skating time).
Example:

- ROU_Senior_Men_SP_POPESCU-Andrei-Radu-2min40sec
- ROU_Senior_Men_FS_POPESCU-Andrei-Radu-4min05sec

The music files must be sent only as MP3 file formats. Any other format is not acceptable.
Please note: MP3 files may vary in playback quality. The Organizing Committee cannot be held responsible for any issues related to insufficient audio quality.

Each competitor must bring a USB stick containing a backup copy of each program's music in MP3 format. CDs will not be accepted by the Organizing Committee.

The exact running time of the music (not skating time) must be communicated when submitting the file and will be verified at accreditation.

If music files are not submitted within the official deadline, they must be presented no later than at the time of accreditation, using the format and medium specified above.

ISU Members/Skaters are reminded that, for them to use music to accompany their routines, the following 'Music Accompaniment' rights/licenses are required:

- the right to edit or adapt music into a mix, if more than one song is being used.

- the right to set choreography to the music, often referred to as a ‘Grand Right’, which is the right to perform musical compositions and recordings within the context of a "dramatic work” or choreography.
- the right to create any copies of the music that may be needed for training and competition purposes, also known as the ‘mechanical rights’.

For a music to be fully cleared for these uses, these rights need to be cleared for each and every track used in each mix that contains a license (backed by a warranty and legal indemnity) for appropriate territory(s) that covers both the master rights of the recording artist and the publishing rights of each individual writer and composer of the track.

The titles, composers and orchestras of the music to be used for the Short Program and Free Skating Program for Single, for the Rhythm and Free Dance Program for Ice Dance must all be entered, in detail, by the ISU Member or the Skater(s) on the dedicated ISU platform. If music information is not complete and music not provided, accreditation will not be given.

During accreditation, all submitted music will be played to verify its accuracy. If any issues are identified, the Team Leader or Coach may be permitted to replace the file by providing a valid MP3 version on a USB stick, which will be reviewed by the Organizing Committee’s Music Team.

CUBS GIRLS & BOYS	*Age requirements – Cubs is a skater who was born: 1.7.2016 – 30.6.2018.* *PLEASE NOTE! The CUBS Girls category will be divided into 2 separate categories:* *Cubs I GIRLS - born between: 1.7.2016 – 30.6.2017* *Cubs II GIRLS - born between: 1.7.2017 – 30.6.2018* *Cubs BOYS - born between: 1.7.2016 – 30.6.2018* Free Skating: 2 min, +/- 10 sec A well-balanced CUBS Free Skating Program must contain: a) Maximum of five (4) jump elements one of which must be an Axel type jump. There may be up to two (2) jump combinations or one (1) jump combination without using the Euler (half-loop) and one (1) jump sequence. Jump combinations and the jump sequence consist of two (2) jumps. In the jump sequence the second jump must be an Axel type jump with a direct step from the landing curve of the first jump into the take-off curve of the Axel jump. One full revolution on the ice between the jumps (free foot can touch the ice, but without weight transfer) keeps the element in the frame of the definition of a jump sequence. Jumps executed in a jump sequence receive their full value. An Euler (half-loop) when used in a jump combination or sequence between two listed jumps will be called but not considered as a listed jump and will not be counted in the number of the jumps of the concerned jump combination or sequence. After the Euler (half-loop) no change of foot is allowed. An Euler (half-loop) can only be executed once in the Free Skating. No triple or quadruple jumps are allowed. Only one single jump and one double jump (including Double Axel) can be repeated once. b) There must be a maximum of two (2) spins of a different nature (abbreviation), one of which must be a spin combination, and one must be a spin with no change of position and no change of foot. The spin combination with a change of foot must have a minimum of eight (8) revolutions and without a change of foot with a minimum of six (6) revolutions. Flying entry is allowed. If with change of foot, only one level feature per foot will count. Difficult variation of a non-basic position is not counted as a feature in any spin; this will be ignored by the Technical Panel. The spin in one position without change of foot must have a minimum of six (6) revolutions, must be done in a basic position (camel, sit, layback or upright) and will be called maximum level basic. No level features are allowed in this spin. 8 revolutions can be done but will not count as an attempted feature. Flying entry is not allowed.

	c) There must be a maximum of one (1) step sequence fully utilizing the ice surface and including at least one skating movement such as a spiral, spread eagle, Ina Bauer, hydroblading etc. If the skating movement is missing, no Level will be given. At least 2 difficult turns and steps must be executed on clean edges for Level basic. The twizzle needs to have at least two (2) revolutions to be counted. The Technical Panel will not award Feature 3) Use of body movements for at least 1/3 of the pattern and Feature 4) Two combinations of 3 difficult turns on different feet, and Feature 5) Body movements included in a combination of 3 difficult turns feature. Levels explanations: For Cubs in all elements that are subject to Levels, only features up to Level 2 will be counted. Any additional features will not count for Level requirements and will be ignored by the Technical Panel. The following Program Components are judged: • Composition • Presentation • Skating Skills The factor for the Program Components is 1.67
CHICKS GIRLS & BOYS	Age requirements - Chicks Skater is a skater who was born: 1.7.2018 and younger. Free *PLEASE NOTE! The CHICKS Girls category will be divided into 2 separate categories:* *CHICKS I GIRLS- born between: 1.7.2018 – 30.6.2019* *CHICKS II GIRLS- born between: 1.7.2019 and after* *CHICKS BOYS- born between: 1.7.2018 and after* Skating: 2 min, +/- 10 sec A well-balanced CHICKS Free Skating Program must contain: a) Maximum of five (4) jump elements one of which must be an Axel type jump. Each listed jump may be performed a maximum of two (2) times. - A maximum of two (2) spins of a different abbreviation. The spins must have a required minimum number of revolutions: four (4) for any spin with no change of foot, and six (6) for any spin with a change of foot. A spin that has no basic position with 2 revolutions will receive no value. Spin combinations must include a minimum of two (2) different basic positions with two (2) revolutions in each of these positions anywhere within the spin. To receive full value, a spin combination must include all three (3) basic positions. All spins with change of foot must have at least 3 revolutions on each foot. If these requirements are not fulfilled, the spin will be marked with a "V" to reduce the base value. Only features up to and including Level 2 will be counted. Any additional features will not count for level requirements and will be ignored by the Technical Panel. - A maximum of one (1) choreographic sequence, fully utilizing the ice surface. The pattern is not restricted but the sequence must be clearly visible. A choreographic sequence has a base value and will be evaluated by the judges in GOE only. The program duration is 2 minutes +/- 10 seconds. The warm-up duration is five (5) minutes. The points for each Program Component are multiplied by a factor of 2.0. Each fall shall receive a deduction of 0.5.

	The special factor of 1.1 for jump elements in the second half, will NOT apply.
GOLD	A competitor in the Gold event must perform a well-balanced program that may contain: - A maximum of five (5) jump elements, consisting of single jumps (including the single Axel) or double jumps. Double flip, double Lutz, double Axel and triple jumps are not permitted. There may be up to two (2) jump combinations or one (1) jump combination and one (1) jump sequence in the free program. One (1) jump combination or one (1) jump sequence may consist of up to three (3) listed jumps. The other jump combination or jump sequence may have two (2) listed jumps. A jump sequence consists of two (2) or three (3) listed jumps in which the second and/or the third jump is an Axel type jump with a direct step from the landing curve of the first/second jump into the take-off curve of the Axel jump. Each listed jump may be performed a maximum of two (2) times. - A maximum of three (3) spins of a different abbreviation, one (1) of which must be a spin combination with a change of foot and one (1) of which must be a flying spin or a spin with a flying entrance. The spins must have a required minimum number of revolutions: four (4) for any spin with no change of foot, and eight (8) for any spin with a change of foot. A spin that has no basic position with 2 revolutions will receive no value. Spin combinations must include a minimum of two (2) different basic positions with two (2) revolutions in each of these positions anywhere within the spin. MASTERS ELITE	The technical requirements are the same as those for the category "Masters" with the exception that triple jumps are permitted. The Masters Elite category is intended for skaters who competed previously at the junior or senior level in national or international competition but is not mandatory for such skaters. It is also open to skaters who wish to include double axel and/or triple jumps in the free skating program.

Participation in the Free Skating at the Adult Figure Skating Competitions is open only to competitors who have reached at least the age of twenty-eight (28) before 1st July 2026.

A skater competing after July 1st 2026 in an ISU Championship, International Competition or National Championship of a Member Federation (other than an Adult International Competition or Adult National Championships) or a competition from which a competitor qualifies for the National Championship of a Member Federation (other than an Adult National Championship) MAY NOT participate in this competition.

A skater competing prior to July 1st 2026 in an ISU Championship or National Championship of a Member Federation or a competition from which a competitor qualifies for the National Championship of a Member Federation MAY participate in this competition.

A skater meeting the age requirements of this competition, who competes in adult-only events (Single Free Skating, Pairs Free Skating, Ice Dance or Synchronized Skating) at a National Championships or competition from which a competitor qualifies for the National Championships of a Member Federation MAY compete in this competition.

All other members of an ISU Member Federation who meet the age requirements may participate.

A skater participating in an International Adult Competition as per Rule 107(12) shall no longer be eligible to participate in ISU Senior Championships and ISU Senior International Competitions as defined in Rule 107, unless expressly authorized by the ISU.

IMPORTANT!

The Organizers reserve the right to change the date, cancel/postponed the competition, change the location, and program of the competition.

When submitting an entry all competitors acknowledge that the Organizers can only host the competition in accordance with the effective medical and government regulations and that in case the situation requires the OC has the right to cancel the competition at any time or to host it between closed doors with a limited number of competitors and no spectators. The competitors also acknowledge that in case laws forbid it the Organizers are unable to hold the competition.

Furthermore, in case the competition cannot take place due to any legal restrictions or public health issues the Organizers bear no responsibility for any damage resulting from the cancellation and thus no claims can be made towards the Organizers.

The competition may also be cancelled in case of an insufficient number of competitors, or due to any other unforeseen circumstance that prevents the proper organization of the event.

Notice of cancellation or program changes will be published at least 7 days before the start of the competition. Please, be informed that changes in the event schedule may occur due to the final number of entries and some

categories can be moved to another day for proper organization. We advise all delegations to take those above into consideration for any travel arrangements.

The Organizers shall not be held liable for any financial losses, including but not limited to travel, accommodation, visa fees, or other expenses incurred by participants, coaches, or accompanying persons due to cancellation, postponement, or modification of the event.

All participants and delegations are strongly advised to arrange flexible travel plans and consider travel insurance that covers event cancellation, medical emergencies, and other unforeseen circumstances.

By submitting an entry, all participants confirm their understanding and acceptance of the above conditions, including the possibility of cancellation without compensation, and acknowledge that participation is at their own risk.

The Organizers shall not be liable for any failure or delay in performance due to force majeure events, including but not limited to pandemics, natural disasters, strikes, civil unrest, or any other circumstances beyond reasonable control.

In case of cancellation or major changes, the Organizers will make reasonable efforts to notify all registered delegations via official communication channels. However, failure to receive such notification shall not constitute grounds for claims.
