ISU Grand Prix of Figure Skating Final 2021/22, cancellation

Following the ISU announcement on December 2, 2021 regarding the cancellation of the ISU Grand Prix of Figure Skating Final in Osaka (JPN), the ISU evaluated a possible postponement to hold the Event at the end of the season and reached out to the six ISU Grand Prix of Figure Skating Group to find out if they could host the Event.

Unfortunately, despite all efforts made by the ISU and the ISU Grand Prix of Figure Skating Group, it was impossible to find a solution to maintain this Event.

Consequently, and for the above-mentioned reasons, the ISU Council regrettably decided to cancel the ISU Grand Prix of Figure Skating Final 2021/22.

The ISU regrets that the hosting of the event is no longer possible this season, and thanks the ISU Members for their efforts and cooperation.

About the International Skating Union

The International Skating Union (ISU), founded in 1892, is the oldest governing international winter sport federation and the exclusive international sport federation recognized by the International Olympic Committee (IOC) administering the sports of Figure Skating (Single & Pair Skating and Ice Dance), Synchronized Skating, Speed Skating and Short Track Speed Skating worldwide. The objectives of the ISU are to regulate, govern, promote and develop its sports on the basis of friendship and mutual understanding between athletes. Currently three ISU disciplines are included in the Olympic Winter Games program (Figure Skating, Speed Skating and Short Track Speed Skating). For further information please visit [isu.org](https://www.isu.org).
